“ To entire Colman family, sorry for ur loss. Didn't know van passed away till today. Went to school with van at highlands and I was a year older. Would run into van in brackenridge where they kept Paul's race car and would be washing it late night after racing at lernerville speedway . Although I haven't seen him in many years, the good times we had are great memories. Rest In Peace my friend . Tony litwicki from ducktown
