*I can still remember the very first day I met Mrs. Gutierrez. I was 5 years old. She and Jane came over to our house to welcome us to the neighborhood. I was welcomed into her home growing up as if I was one of her own. God Bless you Mrs. Gutierrez. Heaven as another angel.*

“ As my Mother-in-law she couldn't have treated me any better. I always felt welcome and a part of the family. She was a strong woman who could be relied upon to speak her mind and to be there for her family. My favorite story about her took place a few years ago. I was visiting Florida and staying at Marty's and Jake's. That evening she wanted to play cards. I graciously declined saying " I don't play cards anymore." She said "you do tonight" I played for about five hours. When she spoke , I listened. God Bless Mom, you are loved and missed.
