

Veronica L. Dixon Ottey "Paulette"

March 2, 1962 - March 28, 2018

Paulette was a kind, loving and caring mother of two children and grandmother of two. Paulette's grand babies were her life; she worries about them so much and she loved to spoil them. Paulette was always a very kind hearted and jolly person. She always loved her family, and she cherished her many friendship's...she will be missed most for her caring nature. When you get around her you always look for a good laugh as she is one of the realest people you will ever know. She will be missed very much, and we are still speechless that she is gone. This is not real but not hearing her laugh and jokes I believe she is gone; we are heartbroken.

Love You

Forever in our heart's
