

Victor (Jassey/Dadda) Roye Sr.

September 25, 1926 - March 6, 2021

On Saturday March 6, 2021, Victor Roye Sr. loving husband, father of five children, passed away at the age of 94 1/2 years. Victor or as he was known as Jassey to his wife and friends and Dadda to all his family was born on September 25, 1926 in Kingston, Jamaica. On January 1962, he married Phyllis Monica Bruce. Together they raised two daughters, Pauline and Colleen, and three sons, Victor Jr. (Larry), Peter (Toney), and Wayne.

Dadda/Jassey was passionate about reading all books and doing crossword puzzles. Playing dominoes with family and friends. Especially winning games with his wife, children, grandkids and great grandkids. He loved to watch movies especially westerns, karate, turner classic movies, and various game shows like Jeopardy. Wrestling was his favorite Monday, Wednesday, Friday past time to watch with his wife. He loved to travel with his family, no matter if it was a local road trip or to different countries. He was always ready to go. Dadda/Jassey loved to eat Mommy's cooking, but especially liked to sneak desserts (he had a notorious sweet tooth). As everyone who ever met him knows he loved music, he is known for playing everything from the oldies to the up to date music of his kids, grandkids, and great grandkids generation. One of his favorite songs was Bob Marley "Three little birds".

Dadda/Jassey was a calm man who would do anything for his family, friends (or) strangers. Always willing to lend a hand in need. His love was

unconditional and he always showed it in his own unique way.

Victor is survived by his wife Phyllis, his five children, 20 grandchildren, and 8 great grandchildren, his nephew Chris and his cat Louie. He will be truly missed and we will carry his memories forever.

A Funeral Service will be held on March 20, 2021 at A Community Funeral Home & Sunset Cremations at 11:00 a.m.

“ Dada 💜💜

One of the kindest, calm demeanor and caring person that I know. You always welcomed me into your home during my summers in Orlando and you and Grandma made my childhood vacation stories memorable.

I never got a chance in my older years to say again “Thank You” and I’m sorry.

Your honesty and genuineness will not be forgotten. 🌸🌸

*Love you Dada

“ I remember when I was a little girl growing up in Jamaica, I would spend my school breaks in Kingston with relatives. I also remember that Jassey, my cousin, often came to visit me. When I knew the day he was coming, I would wait and wait patiently at the gate until he arrived. None of my relatives could understand why I would wait so long at the gate for Jassey instead of waiting inside the house where it was cooler. But I couldn't wait to see him and I wanted to be the first to greet him ! Whenever he came to visit he would bring me delicious goodies to eat and gave me many hugs. Jassey took me out to many places in Kingston and will always remember our many attendances at the bicycle races where he would sit me up on his shoulders so that I could see the races. Oh, how I loved spending time with Jassey. Even in later years, whenever we spoke, we would reflect on those wonderful times together I will always remember how loving, caring and gentle he was to me. Jassey will always have a special place in my heart and will be missed deeply. May he Rest In Peace and God bless!
