“ Dear Jeff, Judd, Jodi, Jeri and families... So very sorry to hear of you Mother Violets passing. My recently deceased husband George and Violet were cousins and we still do live on River Forest Drive where you Mom grew up. I will certainly miss her warm and cheerful Christmas letters and conversations by phone. When the Lord takes your loved one He leaves wonderful memories in exchange. Please know that Violet was dearly loved by George, his sister Arlene's and our families too. We do send our deepest heartfelt Sympathy to you and yours. "You can no longer See her with your eyes, Touch her with you hands but will feel her in your Hearts Forever" With love, as always, Toni Hill

“ I'm so sorry to learn of Auntie Vi's passing. I have thought of her and all of your family often through these past years. I always remember her smile and good humor or the look on her face when Auntie, my Dad and Uncle Joe would be...ummm...voicing opinions! Even though we haven't seen each or talked much for a long time I always remember the good times we had when we did get together. My heart aches for all of you as it's painful to lose your parent(s) at any age. Please accept my sincere sympathy and condolences.

“ Family,

*Oh how well do I remember your Mom, Vi, and those wonderful years at Oak Ridge High School Media Center. She would keep us informed about her Joe and her kids, the latest news from her bridge club, and new desserts served during those games. For many years, Christmas Eve included a drive through her neighborhood to see the luminaries with all my kids in tow. (I was surprised this past Christmas when I found out that this tradition still continues.)*

*Losing a Mom is not easy, it's never expected, even though your mind tells you but your heart still longs -- but thank God for our Savior, Jesus Christ. He takes us through every situation -- all we do is continue to hold His hand or if need be, let Him pick you up and carry you during this difficult time. You are not too big for a piggyback ride!*

*Wow --- I remember Vi laughing!*

*Dear Jeri and Family,*

*I am so sorry to hear about your Mom's passing. Such a lovely lady and I will always have fond memories of her during the years when all our babies were born in Huntington, New York. She loved visiting and watching the babies grow and become fun adventurous toddlers and now grown outstanding adults.*

*My thoughts and prayers are with all of you. Keep all those wonderful memories close to your heart.*
