“ I love you dad.. I still can't wrap my head around all of this. I feel so
lost without you. You were my rock... The person I turn to for advice.
I don't feel like this is real. I love you dad. Rest In Peace. Your in a
better place.

Lisa, Eddie and I want to extend to you and your family our deepest
condolences. With a strong faith and hope we know that we will be
reunited with our loved ones in a near future, that's a promise from our
Almighty God. At least you have comfort in the fact that you had this
short time with your dad, and he gave his love though it all. He is at
peace now. Take care, hope we can see eachother very soon. Irene &
Eddie

Lisa, I know this part is difficult but as was once said at my father's funeral "Remember the love that we once shared, miss me but let me go, for this is a journey we all must take" I hope as the days go by you share your memories of him with Alissa and keep him alive through knowing that you are a part of him. His legacy was left behind through his children. I send you my strength and prayer through this rough time and I know through time it will get better. Chris and I love you and hope to see you soon!!
