“ I would like to take this opportunity to express my sincere wish that Walter be allowed to Rest in eternal Peace with his two sons, Adam Scott and Jason Walter who preceded him in death. It is said that happy are those who are reunited with their loved ones once they have left the realm of this world as we know it. Walter was a member of the United States military when he married his first wife, Cynthia and they began their family together in Pennsylvania. Walter was also preceded in death by his mother, Mae and his father, Scotty. Walter leaves behind a third son, Brian and his wife, Michelle and a beautiful granddaughter, Carleigh, all of Orlando. Additionally, Walter has a sister, Judy of Pennsylvania, a sister-in-law, Lynda and niece, Lynn of Atlanta.

Walter was very loved by this part of his family but they were unable to console him in his final days as they were forbidden to visit him in the facility where he passed away completely alone. This part of his family is deeply saddened that a gentle soul like Walter's was subjected to passing away completely alone without loved ones by his side. We rest our souls knowing that our hearts were with him as he took his final journey to heaven and we hope he remembers the ones who truly loved him and cared for his well being. Walter, may your beautiful spirit fly high with your boys and your parents and know we will meet again.
