“ Wanda was a wonderful person. In the 8 years that I worked with her I was able to speak to her everyday. She was very pleasant and she will be missed by everyone and never be forgotten. Wanda may you rest in peace

“ I have so much I could say about Wanda Swayne but the space on this page isn't large enough. Wanda worked for me for about 15 years and I certainly will miss her very much. We got along very well at the plaza and Wanda was a real trooper always willing to do everything I ask of her. She was very respectful of her superiors and always did her job in an outstanding and professional manner. Everyone at the plaza looked to Wanda for guidance and leadership. She provided that leadership for all her staff on a daily basis and anything she didn't understand she would bring it to my attention. Wanda communicated with FTS and Central Fla Expressway Authority staff in an outstanding manner, able to research and find the answer they were looking for. I'm happy Wanda and I had the opportunity to work together and get to know each other on a professional and social level. To the family, hold your head up and look to the hills from which cometh your help because your help cometh from the lord. This is what she would want and God is please with it. Remember she is in a better place now, no more pain and no more suffering. We all love Wanda but God love her more.
Rest in Peace.

“ *Cherri and family, I just want you to know what a sweet, loving woman your mother was. I enjoyed every family event your mother was a part of. Your mother had an amazing way of making all around her feel comfortable. She had a down to earth loving spirit. I will always remember how special she made each person feel and her beautiful, genuine smile. I know Heaven has been waiting for this wonderful Angel.*
