“ It's been almost a month and I still miss you every single day. You were the best mother a person could ask for, and such a selfless, loving, and giving person. You will be missed by everyone you touched in your life. I will always cherish all of our memories together, and remember everything you taught me. You taught me how to see the positives in life, even when I'm hurting. You taught me an immense compassion for animals, and how to see the humor in every situation. I'm sorry for not doing more, but I am thankful for the time we had together. I know you are in Heaven with Russell, Grammy, and all of our pets who crossed the rainbow bridge before us, watching TLC and the Twilight Zone, and eating all the pork fried rice you want! I promise I will take very good care of Tavviah, Dwayne, and all of your dolls. I love you Ma, always.

“ *To My Dear Friend Wendy: I miss you because of your good spirit. Very quiet, never a loud response. Always in charge of yourself. I missed you when suddenly you stopped coming to talk. But as per those moments happened before, I thought you wanted to be by yourself not knowing something was happening to you. I wish I knew so I could be there praying for you as you left for Heaven. This is one thing that has brought me peace, a sense of knowing that God is preparing a person to meet Him and when that time comes is very, very peaceful. Again, I miss you but I know that you are rejoicing in The Presence of God.*

“ I have many wonderful memories of my dear Niece. She had a Big heart and we had many great years together, a ton of laughs, over her love of goats and for me to find her a goat farmer husband so she could move to TN to be near me. Her love of animals was phenomenal. Wendy was a wonderful Mother to her Daughter, Heather, she was the love of her life.

Gone to soon but never forgotten ❤️❤️🙏🙏🌸🌸

Love Always,
Aunt Julie

I was surprised to hear about Wendy's return home to our Heavenly Father. Wendy was really an angel. Will be dearly missed. I will miss her "hola amiga, cómo estás?" every time she saw me. Rest in peace, dear Wendy.
