

Wilfredo Mollings

October 12, 1939 - February 19, 2026

Wilfredo Dalton Mollings, born to Neville Mollings Louis and Marcela Dalton Cuch on October 12, 1939, in Guantanamo Bay, Cuba, lived a life defined by dedication, humility, and hard work.

Affectionately known as “Willy”—a nickname honorably given to him by a U.S. Army General—he proudly served as the Chief Inspector of military vehicles for the Marine Corps on the American base in Guantanamo Bay. His skill, reliability, and friendly spirit made him a respected figure within the community he served until his departure from the island in 1978 when he took his skill, grit, and love for his family to the states to take aim at the American dream.

Upon arriving in the United States, Willy continued to build a legacy rooted in hard work and perseverance. As a master mechanic and a newly proud Cuban-American, he established himself once again as a trusted craftsman, a loyal friend, and a man deeply committed to the American dream- the freedom to provide for his family and open the door to their own successes.

Willy’s memory is cherished by his beloved wife, Maria-Esther Betancourt Faure; his brothers Santiago, Felix, and Rolando; sisters Rosalina, Maria-Elena, Sira, and Hortencia; his children Freddy, Lenny, Johnny, and Carla; grandchildren Nicholas, Dallas, Johnny Jr., Olivia, and Johanie. Each of them carries a piece of his strength, humor, and boundless affection.

After a long and courageous battle with prostate cancer, Willy leaves us with a powerful reminder to cherish every day and to care for both our bodies and our spirits. His resilience, perseverance, and unwavering love for his family remain imprinted on all who knew him.

You will be forever loved and forever missed, Willy. May you rest in peace.

A Catholic funeral service in honor and memory of Willy will be held at St. John Vianney on Friday, March 6th from 1-2:00 pm
