“ I was so sad to read of Bill’s death in the local newspaper, the Watauga Democrat, this week. I would like to extend sympathy to the entire Swem family during this difficult time. It was such a pleasure to know them during the time they lived in Boone, NC and to be colleagues with Tom and Marilyn. I remember the summer that Bill began his employment in the electrical field with my late husband. How wonderful that he became a master electrician and operated his own business! He will certainly be missed by all who knew him.

“ So sorry to hear about Bill, my thoughts and prayers go out to the Swem family. One of my childhood memories is when our families were at Myrtle beach and the tent the kids were in almost blew away and everyone had to join parents in a small camper. Also, Bill’s trip to the ER when he fell at the skateboard park. He will certainly be missed. Bill Durham

.I guess he picked the wrong day to pick in us and when he started to good around I just bit his arm he was shocked and didnt really give us a hard time for awhile.
