

William Henry Everett

October 19, 1934 - March 19, 2016

Our father, our hero, retired US Naval Chief Petty Officer William Henry Everett left this earth on March 19, 2016, surrounded by his family and loved ones, he was 81 years old.

He will forever be missed and loved...he is the man that taught us how to be compassionate, how to be strong, kind, loving, loyal, patient, forgiving and tolerant. He is the man that we look up to, our role model and life example. He wasn't perfect by any means yet he was perfect to us....he cared only for his family, he lived for his wife of 44 years Adelaida, his children and grandchildren whom he helped raise, loved and adored.

We will continue to honor him every day by living the life he gave to us in gratitude and humility. Thank you Dad for loving us and always believing in us when we did not believe in ourselves...We will forever try to live by the exceptional example that you set and will work hard to not disappoint you.
