“ I’m sitting thinking about all the fun times we’ve had as a family and the mountains  of Georgia came to mind. I would like to thank Bill for helping me when I fell down the steps. I still don’t know how he made it down those steps so quickly but he was the first one who gave a helpful hand to me and helped me get on my feet. I’m still so grateful for his heartfelt assistance to overcome an embarrassing situation. He was such a special person and so appreciated. Love  you so much and am praying  for you. Thanks for helping me at the bottom of the steps.  You know the secret of Jesus’ love and His glorious heaven  Hopefully  I will see you again in the future.
