“ I am so grateful to have been able to know this man. He was truly an amazing person. His love for his family was remarkable. I don't know many men who would ride 9 hours on a motorcycle to be there for their grandson's graduation. Or volunteer to pack up their son's family and move them - more than once. You were an amazing Grandad for my boys. They love you so very much. It was so great to see you excited about the mug Tyler got you for Christmas this year. He was so happy that you liked it. I will never forget the speech you made at our wedding, either. I really cannot believe you are gone. Rest easy now. Until I see you again. Love, Amanda

You are in my thoughts and prayers. It was an honour and a pleasure knowing Bill. Remember the good times and that now he is in no pain, no more drugs and in a far better place. He has gone home to Jesus and will forever be with you and guiding you.

“ *Its been a long time since I spoke face to face with Billy. It been close to 45 years.*

I remember the last time I saw Billy. He was very young, in his last teens or early twenties at the time. He and a friend of his stopped by the house on their way back home from a trip to Florida. This was before his late mother had moved to Florida.

I live in Maryland and was living in a house about 5 miles from where I now live.

We shared dinner and a very pleasant evening together talking about what each of us were doing recently. He spent the night and left the next morning. I realize this is not an exciting memory of Billy, but I assure you I have always admired Billy for the exceptional man he became. He was without question a fabulous father. A hard working and generous man. He will never be forgotten.

I thank God I got to talk to him before his passing and that he did not suffer for a long period time. My prayers are with his children and his brothers and sisters. Just know we all loved Billy
