“ This morning I feel so much sadness and pain. Last night at 11:16 pm William Neckman passed to be with the Lord. I am so sad to say goodbye to this Man. Words cannot describe my gratitude to him as he took care of me and raised me since I was 8 years old without ever needing to or having to. He taught me how to drive, he walked me down the aisle with my Mom, he took me for icecream after school once a week, he helped me with my homework, he helped me get into college, he loved me because wanted not because he had to. At 11 pm I told him thank you for the first time since I was 11 years old. I cried by his bed side and I told him (while we were alone together) that he changed my life circumstances and that I was forever thankful to him. I also finally apologized for not calling him Dad more, not saying I love you more and being so hard on him as a teenager and college kid! He became a Dad again at 60 years old and did his absolute best. He loved my Mom so much and took so much care of her. He was loved by so many. Last night his family gathered with the chaplin and as we prayed over his body. Suddenly 5 minutes after we gathered and prayed he passed away. We will be making arrangements today for a memorial to Bill today. Good bye to an amazing Man who loved a few, but loved with every inch of his heart. Thank you all for your prayers and support.

*Our Eulogy will be posted tonight.*

“ So saddened to hear of Bill's passing. Our times together were always pleasant, but all too brief. May he rest in peace and God's perpetual light shine upon him. My deepest condolences to Brenda and Anita.
