“ *A Letter to my Grandfather:*

I thank you for the love and comfort you brought me in the time that I had with you. I thank you for the words of encouragement you gave me when I moved away from home and the smile you graced me with whenever I came home to visit. I thank you for the time you gave to me as a child when we'd spend the summer days playing in the den, your food cooking on the stove - I'll never forget those days. I thank God for every second, every minute, every hour, every day I got to see you, I got to hear you, I got to hug you, and I know this is not goodbye. I will hold you in my heart until I can hold you again in heaven.

Your granddaughter,

Brandi

“ A Tribute To Will Collins

Will was more than a cousin to me he was like a brother. We talked and prayed everyday. We shared so many memories together. We laughed, talked, and prayed together. I know this journey for him means he is in a better place but I will miss him more than words can express.

Will, will not call anymore. He will not be here to tell me stories and offer words of encouragement. Like his immediate family and friends I am mourning the life of a man that was truly loved by me, but I understand that he is going to a better place. I will forever hold on to over a half century of being loved by my cousin and friend.

He was a loving husband, father, grandfather ,uncle and cousin. I am asking the Lord to help us, to comfort, strengthen and keep us and we know he will carry all of us through this time of mourning.

Ecclesiastics 3:4 says there is “A time to weep, and a time to laugh; a time to mourn, and a time to dance;”

*Lovingly Submitted by your cousin and sister
