“ *Uncle Willie Green will always have a special place in my heart for I will never forget his smile and love he spread when he came around. Uncle Willie was the light of our family he would sing spread love and his smile would light up any room. I will always remember the song you made up and sing to me with my name what a beautiful memory I have to hold onto. Our family will truly miss you but the memories we have of you will always be there.*
