“ *Family,*

*Our heartfelt condolences and expressions of sorrow for the loss of your dear love one*

*Sometimes words cannot express fully one's sympathy when learning of a love one's death, simply because death affects all mankind and it hurts so much.*

*....But it always strengthens us to know that others care as well.....and more importantly our creator God cares.*

*Our hope is that the family can be comforted knowing that God cares for you and sees your pain. May you find comfort and relief during this grievous time, as you cherish the precious memories.*

*( 1 Peter 5:7)*

*Kind Regards  
The Dorsey Family*
