Growing up on Fernandez Ave Yvonne and I sneaked and put the perm in my hair. When our mothers found out what we had done we got into BIG trouble. Yvonne got the worst of it because she “should have known better.” I miss those days, and I miss her too!

“ *Sending condolences to my Cousin's and their families who are grieving the loss of their dearly beloved mother Yvonne and whom is my aunt. You were the glue of the family and always ensured to be at family gatherings both happy times and not so happy times. You will be missed. RIP*

Condolences to Raymond and family. Our hearts and prayers are with you during this difficult time. I remember meeting auntie Yvonne in Jamaica years ago, and have seen her other times in Jamaica more recently in Florida with Raymond. We all know how close you were to your mom Raymond, your dedication, care and outward expressions in your actions is exemplary. Keep strong my brother. RIP auntie Yvonne.

“ *Aunt Yvonne took me in for the summer when I was about 18-19 years old. I was getting into a lot of trouble back in Montreal and my Day (her Newpnew) called her and asked if I could spend the summer in LA with her and the boys!*

I learnt more about life in that one summer with her then I did any other summer before.

Thank you auntie. I LOVE YOU AND I'LL MISS YOU SO MUCH.

The Hall family up here in Canada sends our condolences.

“ On behalf of the Hall Family from Forsythe Drive we'd like to extend our sincerest condolences to Raymond and his brothers as they go through the most painful loss of their beloved mother . Aunt Yvonne's impact extended way beyond her immediate family and indeed she was the glue that held the wider family together . Always calling , always asking , always going the extra mile , always checking up on her siblings and their families . She will be greatly missed but always remembered with fondness .

“ Yvonne and I were friends for over 20 years sharing lots of interests and anything British. Yvonne so loved to announce her 'Britishness'. We both loved plants and pottering around in our gardens. I have many plants in my garden that were cuttings from Yvonne's. I will remember her fondly for all her support and encouragement over the years. We shared many October birthday celebrations both being Librans. So many natural health tips that I will continue to use. She's gone but certainly will not be forgotten. She will be remembered with love. RIP Yvonne.

“ *Cousin Yvonne and I grew up together on Fernandez Ave. Although she was older, we spent a lot of time together, sharing the laughter and tears. I clearly and fondly recall dressing up in her form- fitting “hobble” dresses and strutting around the house. She would laugh at me because I did not have her eye-catching figure. As I grew older she passed down a few dresses to me. The blue floral was my favorite! Yvonne loved fashion and fashion favored her!*

*My Aunt Yvonne was very special and caring to me. She was instrumental in bringing my brother and I to the United states as a youth, for which I am forever grateful. As we got older and started to navigate our lives in the states, she was a pillar of strength and very supportive.
I will truly miss her. I pray that God will bring comfort to the family as we celebrate her life together. ❤️*
