“ From the day I was born you were my connection to the family and my inspiration,my guide and example of great strength,faith and enduring love and it continued into my adulthood. Unfortunately, life had me all over the place with struggles with marriage,kids and personal issues that had me distant from you and family in general to not my burdens on others.I wish I got it all together in time to tell you how much I love you and how you helped me to be a stronger woman and example to your amazing nieces but now with Dad gone aslong with you and granma I feel a bit lost and alone.I know that God heals all pain and you are finally at rest in his loving arms and even though your gone your memory lives on in my heart and Leila and Lauryn heart as well.I love you Auntie Neci🕊️RIH

“ I mourn your loss even as heaven rejoices in their gain. I will always remember the good times and how we used to laugh at the most simple things. Until we see each other again, rest in peace my dearest friend.
